Future Life Zone

The Future Life Zone is located in the western end of the Expo site. It features the EXPO Vertiport, a take-off and landing site for Advanced Air Mobility, and the EXPO Arena, an outdoor exhibition and event venue.

L01 Gallery WEST
A multi-purpose exhibition venue with three distinct exhibition areas hosting various exhibitions, events, and interactive programs.

L02 Future Life Experience (in the Future Life Village)
We present ideas for future living through exhibits and presentations in fields close to our daily lives, focusing on "future food," "future culture," and "future healthcare."

L03 "TEAM EXPO Pavilion" (in the Future Life Village)
Communication of "Action for the Future" to create a future society together with participants and exhibition of selected best practices.

L04 Mobility Experience
Visitors can experience the next generation of air transportation at the EXPO Vertiport, a take-off and landing site for "Advanced Air Mobility".

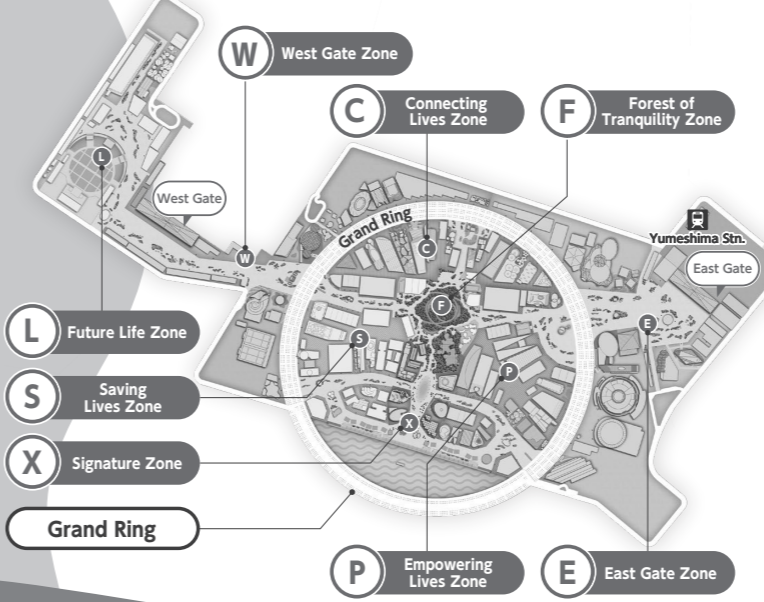

L05 Future City
A magnificent pavilion where visitors can virtually experience "The City of Happiness" realized through various innovations in the future.

L06 EXPO Arena "Matsuri"
This outdoor facility covered in artificial turf is for festivals, live music performances by local and international artists, and other events.

Grand Ring

The Grand Ring is one of the largest wooden structures in the world, measuring approximately 2 km in circumference. The upper part of the Grand Ring (Sky Walk) allows visitors to view the entire venue and enjoy the charm of the Expo site. The area under the Grand Ring (Ground Walk) is the main route of flow for visitors and also serves to protect them from the sun and heat.
